

Coingoaat

Turn Your Coins into Cash!

Welcome To CoinGoat!

Introducing the all new **Coingoaat** coin depositing kiosk.

Add profit to your business by providing a quick and simple solution for customers to exchange their coins for cash!

The **Coingoaat** is built on a UL291 vault and uses modular components for easy maintenance. It features a 15" LCD with touch-screen and allows for custom advertising.

The coin depositor accepts up to 600 mixed coins per minute and stores 12,000 coins in a secure rolling storage cart.
